

2010 AT A GLANCE

Small kitchen design build by Pro Home wins industry accolades.

This Small kitchen design/build renovation was designed to utilize a small space opening up the kitchen to entertaining area dramatically changing the appearance, function and comfort level of home.

The Tuscan feel, added warmth and functionality was significant in this award winning project earning an Excellent rating on HGTV.COM with over 3000 4 star ratings and reviews

Homeowner Steve Lipinski wrote, " I am sincerely proud to show off my new kitchen and the way it fits with my home which is 58 years old. I have not a single moment where I said to myself, if only I just added this one thing".

I am so confident in my recommendation of Mark Singleton and Pro Home and Business, that I have recently chosen him again for a much larger remodel.
