

## 2010 AT A GLANCE

**This home had been foreclosed as so many in our community and had been severely let go.**

**We raised a wood framed three room 60' x 14' addition across the back of the home from 8 to 1" to level home then we demolished and re-built new entry porches.**

**The home was back on the market in 30 days and successfully sold in 90 days by Remax Town Center.**

**These are just a few of the over 100 projects Pro Home and Business accomplished in 2010.**

**We do it all and we do it right.**

**Call today for all your home and business restoration and improvement needs**
